7. CLIENT MONIES

Zenpay holds all client deposits in segregated client accounts at highly rated financial institutions. Please note that money you deposit into our client accounts is co-mingled with other client money in our client trust accounts (which is separate to Zenpay's monies/assets). Such monies are only applied to client payment obligations and instructions, and to pay any agreed fees, in line with our Terms & Conditions, and the requirements of the Corporations Act 2001 (Cth).

The Financial Claims Scheme ("FCS") is a scheme administered by the Australian Prudential Regulation Authority ("APRA") to protect depositors from potential loss due to the failure of institutions. It provides depositors with a guaranteed protection, up to a cap. As at the date of this PDS, the FCS applies to deposits only. It does not extend non-cash payment facilities. It is important to note that holding your money in one or more segregated accounts may not afford you absolute protection. Accordingly, if Zenpay fails, any client funds held by Zenpay may not be protected.

Zenpay is entitled to retain all interest earned on client moneys held in segregated accounts with a bank or authorised deposit-taking institution (ADI). The rate of interest earned by Zenpay on these accounts is determined independently by the provider of such facility.

8. FEES AND CHARGES

Zenith imposes Fees and charges to you or to merchants for whom it processes payments at agreed rates. Our contracted merchants have the right to decide whether to absorb such fees and charges or whether to on-charge them to their customers and such decision are not under the control of Zenith.

Zenpay's employees and directors are remunerated by way of salary and other benefits. No commissions are paid.
