

HEALTHCARE / PHARMACEUTICALS.

Corporate Prepaid Cards has been providing prepaid card solutions for over 15 years. Mastercard, Visa and eftpos prepaid cards offer Healthcare organisations a versatile way to eliminate physical cash, manage staff expenses, attract and retain staff, and seamlessly manage reward programs including channels partner programs.

Healthcare organisations choose Corporate Prepaid Cards because:

- **Variety of card options** including plastic, digital (SMS delivery), or emailed cards. Available as single-load, reloadable, and zero balance for future loading.
- **Safety and security:** Prepaid Cards eliminate the need for handling physical cash, reducing the risk of theft.
- **Budget-friendly solutions:** Cards can be loaded with values up to \$9,999.
- **Preferred reward, incentive or gift.** Accepted anywhere Mastercard, Visa or eftpos can be used.
- **Ensure funds are used as intended.** Define where, when and how your prepaid cards can be spent, driving transparency and compliance.
- **User-friendly Client Portal** enabling each department to handle their prepaid card programs.
- **Real-time custom and consolidated reporting** providing a comprehensive audit trail, order history, and recipient records.
